Budget Highlights

# 2022

## BUSINESS TAX

### CORPORATION TAX

- An effective Corporation Tax rate of 15% will apply to companies with turnover of more than €750 million. For companies with turnover less than €750 million the 12.5% rate of Corporation Tax remains.
- The Finance Act will introduce interest limitation and anti-reverse-hybrid rules in line with the Anti-Tax Avoidance Directive (ATAD).

### BUSINESS SUPPORTS

- The reduced rate of 9% VAT for the hospitality sector will remain in place to the end of August 2022.
- The Employment Wage Subsidy Scheme (EWSS) will be extended to 30 April 2022 with some graduated amendments. The following are the broad parameters of this extension:
  - No changes to EWSS for the months of October and November 2021.
  - Businesses availing of the EWSS on the 31 December 2021 will continue to be supported until 30 April 2022.
  - Across December 2021, January and February 2022 a two-rate structure of €151.50 and €203 will apply.
  - For March and April 2022, the final 2 months of the scheme, a flat rate subsidy of €100 will be put in place. The reduced rate of employers PRSI will no longer apply for these 2 months.
  - The scheme will close to new employers from 1 January 2022.

- A new refundable tax credit for the digital gaming sector is being introduced. This relief will be available at a rate of 32% on eligible expenditure of up to a maximum of €25 million per project.
- An extension of Corporation Tax relief for certain start-up companies was announced. The relief is extended to 5 years instead of 3 years and is linked to employer PRSI payments.
- The relief for pre-letting expenses for landlords capped at €5,000 per premises is extended for a further 3 years to 2024.
- The accelerated capital allowances scheme for gas vehicles and refuelling equipment is being extended for a further 3 years and will now include hydrogen powered vehicles and refuelling equipment.
- Equipment directly operated by fossil fuels will now be prohibited from qualifying for the accelerated capital allowances for the energy efficient equipment scheme.
- The Employment Investment Incentive Scheme (EIIS) scheme is extended for a further 3 years. It has been modified to include a wider range of investment funds and some easing of the rules has also been announced.
- The tax debt warehousing scheme will be expanded to allow self-assessed income taxpayers, with employment income from a company in which they have a material interest, to warehouse their tax liability relating to their employment income from that company.
